Trackspares to feature value-for-money replacement parts at Kalgoorlie's GME

Trackspares (Australia) Pty Ltd will put the spotlight on its high quality replacement parts for heavy equipment on **Stand 3052** during the Goldfields Mining Expo (GME) at the Kalgoorlie-Boulder Racing Club from October 28-30, 2008.

Trackspares (Australia) Pty Ltd was established in May last year and is a subsidiary of a publicly listed Singaporean Corporation. It has offices in Western Australia and Queensland.

Its objective is to supply high quality, new, non-genuine and genuine, reliable used and expertly reconditioned parts for selected heavy equipment at a considerable saving on genuine pricing.

"And we offer the knowledge, service and warranty to support those parts," Trackspares' WA Area Manager, Mick Winters said.

Trackspares' product range includes:

- ITM undercarriage parts for earthmoving and agricultural crawlers to suit machines such as Case, Caterpillar, Fiat-Allis, International, John Deere and Komatsu
- KBJ undercarriage parts for excavators, dozers and crawlers to suit a wide range of machines including Caterpillar, Komatsu, Hitachi, Sumitomo, Samsung, Daewoo and Hyundai
- some genuine undercarriage parts for some makes, usually at a discounted price on the OEM price
- Rossi, Ramco and TMI ground engaging tools such as digger & ripper teeth, dozer edges and grader blades
- replacement parts to suit Komatsu, Caterpillar and Cummins diesel engine(NB: deleted "parts")
- Rossi machine parts for overhauling Caterpillar and Komatsu transmissions, torque converters, steering, clutch and brake equipment, and final drives.

Trackspares also buys, sells and hires a wide range of engines and generators from various manufacturers and can supply tested used or rebuilt engines.

The company also dismantles Caterpillar, Komatsu and Detroit engines for re-useable components.
