I Like It Direct selling Super Wrench at Kalgoorlie's GME

I Like It Direct will be direct selling its Super Wrench on **Stand 4025** during the Goldfields Mining Expo (GME) at the Kalgoorlie-Boulder Racing Club from October 28-30, 2008.

The Melbourne-based tool distributor describes its Super Wrench as a versatile multi-purposed hand tool which fits multiple sizes and shapes and is self-adjusting from 2 mm to 70mm.

A simple ratchet action locks it onto nuts, bolts and pipes, whether rounded off or damaged. The wrench can then be moved back and forth in a ratchet-style operation which allows the head to be turned without removing the tool from the work.

According to I Like It Direct this design minimises damage to the hex heads or pipes and ensures gripping power is obtained with less force.

The Super Wrench is available in sets of four or five with a free toolbox accompanying the set of four. It has a lifetime guarantee.

I Like It Direct has had more than 10 years' experience selling on-line or through demonstrations at trade exhibitions, field days and specialist expos.
