

MEDIA RELEASE

Sanax Medical to focus on medical supplies for remote sites at Kalgoorlie's GME

Sanax Medical & First Aid will display and demonstrate a wide range of medical supplies especially suited to remote mining sites on **Stand 1103** during the Goldfields Mining Expo (GME) at the Kalgoorlie-Boulder Racing Club from October 28-30, 2008.

Medical supplies on display will include:

- Specialised remote first aid kits
- Laerdal Heartstart products and CPR training aids
- IV solutions that are packaged in durable, hard plastic – rather than glass bottles or viaflex bags – and are designed to reduce the risk of product damage during travel and to be easy to use in an emergency situation
- Sunscreens that have been developed for the heat and dirt of a mine site environment
- Pharmacy-only products for treating common ailments in the heat and damp of mine working areas.

Sanax Medical & First Aid will also exhibit general first aid items such as bandages, adhesive plasters, suture and suture alternatives, and surgical instruments and equipment.

The Perth-based company specialises in supplying a wide range of medical products from cotton buds to ECG machines throughout Western Australia.
