

MEDIA RELEASE

Scorpion Jacks to introduce new WA representative at Kalgoorlie's GME

Scorpion Jacks International will feature its recently appointed preferred Western Australian re-seller and only authorised service agent for its heavy lift hydraulic jacks and floor stands on **Stand 4032** during the Goldfields Mining Expo (GME) at the Kalgoorlie-Boulder Racing Club from October 28-30, 2008.

Air & Hydraulic Power Centre specialises in high-pressure hydraulic equipment service and repairs and has a strong reputation among major mining companies, according to Scorpion International's managing director, Graeme Haller.

Australian-designed Scorpion jacks have been on the market for some 15 years and are built by Scorpion International in North Queensland.

Scorpion Jacks are available in tonnages from 25t to 150t in both single stage and telescopic configurations.

Models designed exclusively for underground equipment feature an extra low profile (250 mm) closed height and four and five stage telescopic cylinders.

Open cut models are available from 50t to 150t with many models available with load holding chocks.

Air & Hydraulic Power Centre based in Jandakot is able to service, repair, modify and test jacks to 250 tonne, torque tools to 27,000 Nm and hydraulic equipment to 20,000 psi. Most makes of equipment can be serviced including Power Team, Enerpac, Simplex, Hytorc, Tuff, Norbar, Graco, Lincoln, Atlas Copco, and Ingersol Rand.
