

MEDIA RELEASE

Inspired Systems taking an inspired display to Kalgoorlie's GME

Inspired Systems will use a mini haulpak and a train track to demonstrate its asset protection and vehicle management systems on **Stand 4006** and invite you to enter their 'Inspired' competition during the Goldfields Mining Expo (GME) at the Kalgoorlie-Boulder Racing Club from October 28-30, 2008.

This Western Australian company works primarily in the rail, heavy haul, freight and construction industries, supplying systems designed to withstand harsh conditions.

They assert to be the number one supplier of hot bearing and wheel detector systems in Australia. Other products and services include:

- Transport interface equipment and Geofencing
- Industrial PCs and server systems
- Ore car, rolling stock and loco monitoring
- Maintenance reporting
- Welder monitor system
- Telemetry control systems
- Window XPE embedded and CE operating images, support and driver development.

Inspired Systems also offers specialised engineering services such as project management, software, mechanical and electrical design with design implementation, on-site installation and commissioning services, and quality control on projects currently worth up to \$20 million.
