

MEDIA RELEASE

Ampcontrol to take a wide range of offerings to Kalgoorlie's GME

Ampcontrol will feature a comprehensive range of its electrical and electronic products suited to metalliferous mining on **Stand 2150** during the Goldfields Mining Expo (GME) at the Kalgoorlie-Boulder Racing Club from October 28-30, 2008.

Two products on display will be Ampcontrol's:

- iMAC - Integrated Monitoring and Control System for long line distributed monitoring and control in hazardous areas
- IPM - Integrated Protection Relay, which protects electrical outlets supplying metalliferous mining machinery.

Ampcontrol member company Burn Brite, will also display a range of robust lighting products suitable for the mining industry's harsh conditions.

Another Ampcontrol member company, Austech Instruments, will show a range of environmental monitoring packages.

Ampcontrol is one of Australia's leading international suppliers of electrical and electronic products to the mining, mineral processing, oil and gas, power generation and energy sectors.
